

SYDNEY MARKETS RECEIVES ENVIRONMENTAL ACHIEVEMENT AWARD AT THE 2017 BLUE STAR AWARDS

The 2017 Blue Star Awards held on the 14th November 2017 recognises a variety of projects across a broad range of sustainability initiatives focusing on community engagement and education that aims to Keep NSW Beautiful.

Awards were presented in categories including, environmental sustainability; waste and litter reduction; best practice and innovation in cultural heritage; habitat and wildlife conservation; sustainable systems and design; and environmental education.

Sydney Markets was presented with the 2017 Environmental Achievement Waste Less Recycle More Award in acknowledgement of continual environmental sustainability initiatives.

Environment Manager Con Kapellos attended the event and accepted the award on behalf of Sydney Markets.

“We are very honoured to be recognised by Keep NSW Beautiful, Blue Star Sustainability Award 2017 for Sydney Market’s ongoing commitment to our waste recycling program and our sustainability initiatives on site. Our sustainability success through Stakeholder engagement has been recognised not only locally but also internationally as well!” – Con Kapellos
