

SYDNEY MARKETS WORK HEALTH & SAFETY UPDATE Pedestrian Safety Initiative – Building D

In order to improve pedestrian safety, “NO VEHICLES PAST THIS POINT” signs have now been placed at the eastern and western ends of Building D.

This means that vehicles are **not** permitted to enter or exit through these areas of Building D when the signs are in place. The area is a safety zone for pedestrian egress only.

SML would like to thank all stakeholders for their assistance and co-operation with the ongoing work being undertaken to improve work health and safety within the Sydney Markets site.

Note: All unsafe work practices need to be reported to an SML Market Officer or by contacting the 24 hour SML contact number 0409 325 232 or the Work Health & Safety Manager, John Pascucci on 0417 325 171.

In addition, such practices should be reported to an individual's own employer and any relevant tenant, occupier or contractor/transport company.
