

SAFETY NOTICE

PEDESTRIAN ACCESS

To increase separation between pedestrians and vehicles within the Sydney Markets site, Safety Bollards will be installed in Ramp Ways north and south of Buildings A, B & C. Consultation is currently being conducted with stakeholders, in preparation for implementation in late June.

Pedestrians are required to use the access ways which provide clear separation between vehicles and pedestrians.

No vehicles will be able to access these areas

The priority is to reduce forklift and pedestrian interaction

Slow Down, Buckle Up and Stay Safe

It is in everybody's interest to ensure compliance of the above. Any unsafe work practices that are observed should also be reported to SML by contacting Security on 0409 325 232 or the WHS Manager on 0417 325 171.
