## SAFETY UPDATE

### Forklift Safety Awareness Workshops

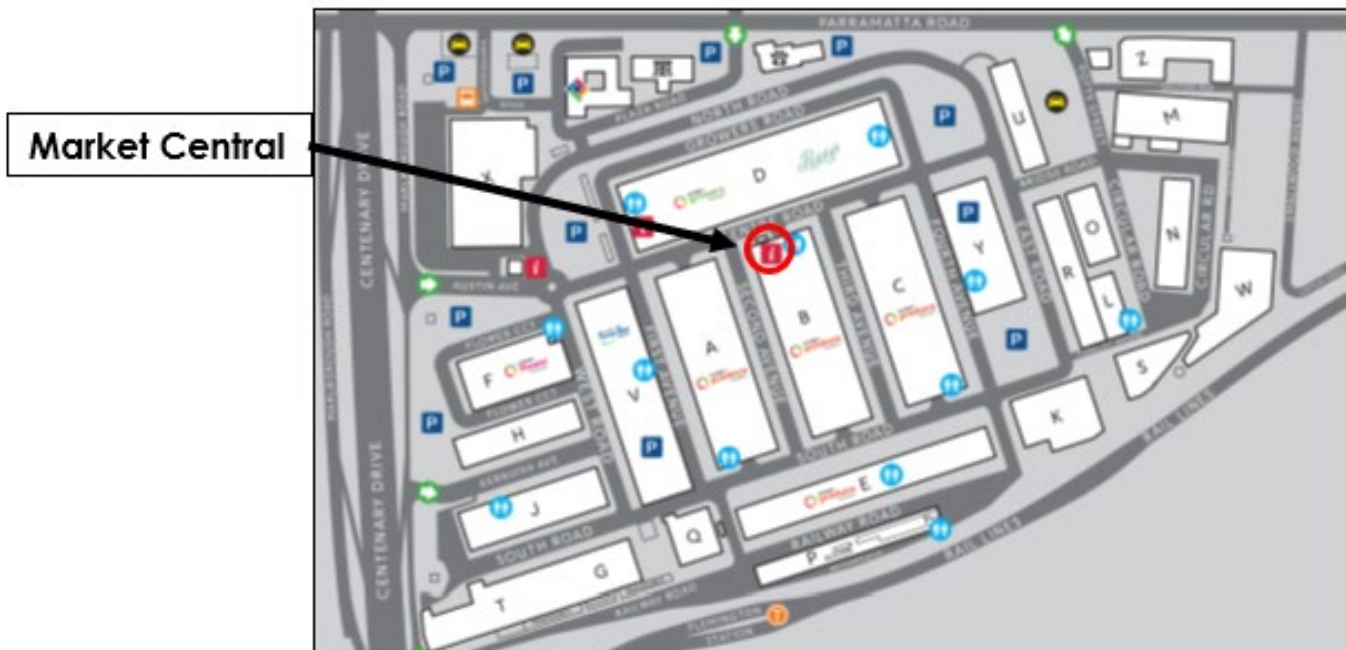

SML's MISSION IS "TO PROVIDE A SAFE AND INNOVATIVE ENVIRONMENT THAT SUPPORTS COMPETITIVE TRADE, EFFECTIVE DISTRIBUTION AND GROWTH". In supporting Shareholders and your staff SML will be conducting two 60-minute Forklift Safety Awareness workshops.

SML encourages all **Shareholders, including your forklift drivers and those working around forklifts**, to attend these sessions as they will provide essential information for operating a forklift safely and maintaining both the drivers and pedestrians safety.

All information presented on the day will be available on the SML Traders App and will be handed out by SML Staff. **Please also see an information booklet attached.**

**The Forklift Safety Workshops will run two sessions. These will be held at Market Central.**

	<b>Tuesday the 17<sup>th</sup> of September 2024</b>
<b>First session</b>	<b>6.00am to 07.00am.</b>
<b>Second session</b>	<b>7.30am to 08.30am.</b>

***THERE IS NO JOB THAT URGENT, THAT IT CAN'T BE DONE SAFELY***

***Slow down, buckle up & stay safe!***
