

SAFETY NOTICE

KEEP FORKLIFTS & PEDESTRIANS SEPARATE

Working near forklifts puts you at significant risk of being seriously injured or even killed, either by being struck or crushed by the forklift itself or by the load it is carrying.

FORKLIFT SAFETY STARTS WITH YOU

NOTE: All unsafe work practices need to be reported to an SML Market Officer on the 24-hour SML contact number 0409 325 232 or the WHS Manager Leighton Freney on 0417 325 171

Unsafe practices should be reported to an individual's employer and any relevant shareholder, occupier, or contractor/transport company
